Re: Paul W. Caine Alumni Chapter of the Year Award

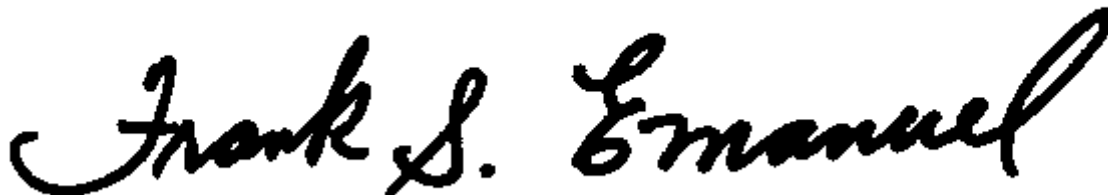

Dear Brother Ellis:

It is a distinct honor and gives me great pleasure to pen this letter to recommend the Jacksonville Alumni Chapter of Kappa Alpha Psi Fraternity, Inc. for this prestigious award. I have been affiliated with this chapter for more than thirty years serving in various capacities from chapter keeper of records to polemarch and feel uniquely qualified to give my unequivocal support.

The Jacksonville Alumni Chapter has been serving the community for over eighty-five years with members from every field of human endeavor. Their work and accomplishments have made a positive impact on the quality of life of this community, the state of Florida and the nation. This chapter's record of service is impeccable as indicated by their petition.

It is my humble opinion that the Jacksonville Alumni Chapter meets all of the requirements and more than qualifies for this signal honor. I have absolutely no reservations in making this recommendation for them. They are truly an asset to the fraternity and the world.

Yours in the Bond,
